Dear Colleagues,

It is a great pleasure for us to invite you all to the “16th Interventional Cardiology Meeting” to take place in Antalya in the Mediterranean Coast of Türkiye, on May 26th - 29th, 2009. The meeting is organized by the Interventional Cardiology Working Group of the Turkish Society of Cardiology.

The program also includes courses planned for the further theoretical and practical training of assistant doctors. The Interventional Cardiology Working Group kindly requests that you encourage and urge your assistants to participate in the meeting and so to attend the training courses.

We extend our sincere thanks to the President and Board of the Turkish Society of Cardiology, to all colleagues, to institutions and pharmaceutical firms supporting us for the realization of this meeting.

We look forward to welcoming you all in Antalya soon!

With best regards,

Prof. Ramazan ÖzDEMİR, MD
President, Working Group on Interventional Cardiology, Turkish Society of Cardiology
