- Stay tuned for the next episode in Sept. 2026

EHRA Webinars

Upcoming:

- **23 June 2026, from 18:00 to 19:00 CEST**
Surgical LAA exclusion - from underused opportunity to guideline-supported practice: evidence and practical insights for AF patients
Join Prof. A. Sultan as Moderator, and Profs. D. Gupta and T. Hanke as Speakers
Free for everyone

The EHRA Educational Pathway

- A 3-tiered framework
- Developed by the EHRA Education Committee
- Designed for:
 - Fellows (Level 1)
 - Specialists (Level 2)
 - Current and future leaders (Level 3)
- Providing a structured, progressive educational track

www.escardio.org/ehra-pathway

EHRA
European Heart
Rhythm Association

 European Society of Cardiology

The EHRA Educational Pathway

Level 1 - Online: Introduction to Cardiac Arrhythmia Management (all year long)

Level 2 - Onsite Courses in EP and CIED: Expert Practice in Cardiac Arrhythmia Management (from January until November) and one online course available all year long

Electrophysiology

- Atrial Fibrillation
- Ventricular Tachycardia
- Examination Preparatory Course
- One online course on Supraventricular Tachycardia (all year long)

EP Exam (to access Level 3)

CIED

- Pacing/ICD/CRT course
- Advanced CIED Course

CIED Exam (to access Level 3)

Level 3 - Online and Onsite modules: Leadership and Innovation in Cardiac Arrhythmia Management (DASCAM)

escardio.org/ehra-pathway

EHRA
European Heart
Rhythm Association

 European Society of Cardiology

EHRA Educational Courses – Level 2

- Access the Supraventricular Tachycardia (SVT) eLearning course

Available all year long on the ESC e-learning platform

EHRA Online Certification

For Electrophysiologists and Allied Professionals
(AP)

- **18 September 2026:**
 - ✓ CIED Exam - English
 - ✓ CIED Exam for AP - English (CIED)
 - ✓ CIED Exam for AP - Dutch (CIED)
- **25 September 2026:**
 - ✓ EP Exam - English
 - ✓ **NEW:** EP Exam - French
 - ✓ EP Exam for AP - English

Special offer - Level 2 courses and Certification:

Free registration for the certification exam is available to those who attend either the 2 CIED courses or the 3 EP courses within one year

www.escardio.org/EHRA-certification

EHRA Observational Training Programme

Attend 2 to 4 weeks of clinical shadowing
and learning in Electrophysiology and CIED

**Only for
EHRA Members**

EHRA Members**

• EHRA Recognised Training

Centres

EHRA Recognised Training Centres (ERTC) programme acknowledges and supports good educational practices provided by centres.

ERTC is a quality label.

It enables training centres to:

- highlight efficiency;
- add value to their quality of education and mentoring;
- increase notoriety and well as attract fellows and practitioners.

It can be a means to:

- verify the uniformity of educational tools and standardised practical teaching;
- improve the quality of the laboratories.

Academic and non-academic centres can apply.

Find My EP Specialist

Join the directory and get located easily !

A screenshot of the EHRA "Find a specialist" directory interface. The header shows the EHRA logo and the title "Find a specialist". Below the header is a search bar with fields for "Country", "City", and "Clinical expertise", followed by a "Search" button. Below the search bar, it says "8 matches found". Two results are displayed, each with a profile picture, name, EHRA membership status, hospital information, clinical expertise, and a "More info" button.

Country	City	Clinical expertise
